setting sin; and all that is within our power casely similar to the above with the exception in mey after making such cautious terms with the exception. Nothing is bern of European wars with China, to have avoided the venders, but in the yiew I take of the event and about the fall of an apple having anything inflicting on that Power the mortification of a ungestrates are concerned. A fine of £100 was the desirence amount and the field. He arranged a convention, inflicted, and a case settled for the decision of the country of the mortification of the desirence of the arranged a convention, inflicted, and a case settled for the decision of the desirence of the arranged a convention, inflicted, and a case settled for the decision of the desirence of the arranged a convention, inflicted, and a case settled for the decision of the decision to be compelled to re-fund it, and so I am of many respects from the ordinary tradition, which was perhaps valueless enough to the the superior courts,

opinion that the plaintiffs, case cannot be sus. tained, the Bill ninet be dismissed with costs. IN BANKRUPTOY.

and Levita - Judgment. This is a motion under Sec. 95 of the Bank-Henderson and another v. the Comptoir d' Escompte runtey Ordinance (No. 5 of 1884), for the purpose converted into an eye."-Freytag. of determining the chain of Mosars. Liebert & This bill is filed by Mesers. C. I'. Henderson Co. against the Official Assignee in the above Ohina was confined almost entirely either t the Con. of Manchester, against the Comptoir Bankruptoy, to the sum of \$4.975.62 alleged to Jesuit missionaries, who, however worthy in vernments of the world. It is on so low a level d'Escompte de Paris, who have a branch estab. be the balance of proceeds of the sale of certain other respects, found it necessary in publish that it is unconscious of its own inferiority. I than to place itself in so false a position. His Colony, and from whom the However much moral develocitions are to be plaintiffs seek to recover the sum of \$6,837.50, the Oriental Bank Corporation, to secure their carried of the burbarous raters of the land in which in the following circumstances. In Beptimore, 1866, the plaintiffs sold and shipped per universally accepted, that more harm than died 50 bales of T. Olon is to Messrs, Lyall, Still A. Co. to large their experiences to flatter the vanity is no more amounted in the hands of the Oriental Bank Corporation, to secure their of the burbarous raters of the land in which is no more amounted in the hands of the Oriental Bank Corporation, to secure their of the burbarous raters of the land in which is no more amounted in the hands of the Oriental Bank Corporation, to secure their of the burbarous raters of the land in which is no more amounted in the hands of the Oriental Bank Corporation, to secure their carried to the Oriental Bank Corporation, to secure their of the burbarous raters of the land in which is no more amounted in the hands of the Oriental Bank Corporation, to secure their carried to the Oriental Bank Corporation, to secure their of the burbarous raters of the best friends than in the hands of the Oriental Bank Corporation, to secure their of the burbarous raters of the burbarous raters of the bank in which is no more amounted in the hands of the Oriental Bank Corporation, to secure their of the burbarous raters of the best friends than in the hands of the burbarous raters good results from the Government's inter. & Co., of Hongkons. The goods had been These goods consisted of Firstly, 320 bales of native country a narrative terming with no of the theory that the Chinese had awakened to foring with matters of morality. The only bought through the branch firm of the pur G ey Shirtings ex Canadian; Secondly, 70 bales counts of the greatness of his own exploits, a perception of the necessity which existed of chasers, which carried on business in London Grey Shirtings and 10 of T Clothe ex Series, of the marvels he has witnessed, and of the drawing closer than before the bonds which sound view of the question, therefore, seems under the style of Mesers, George Lyall and C. The motion also includes a claim to the sum grandent of the distant hand which it has been united them with other nations. He endeavour to be, that; as it is impossible to suppress gam. F. Still, and the transaction was effected under of \$1,016, alleged to be the proceeds of the sale his lot to visit and describe. Honce the modern ed to meet the advance which he familed them bling, and as it cannot be restrained without very special terms and conditions, contained in a of 7 bales of prints, part of a shipment of 18 reader is not supprised at the engigerations to be making more than half-way. People who bringing about worse evils than itself it correspondence set out in the bill, and the sub- bales er Merse, which had come to the bands and inaccuracies of the older writers on thina, comprehended the situation tried to assure him bringing about worse evils than itself, it stance of which is stance of the Official Assignee inspects and had been sold and in consulting them; seeks principally for that no such advance was being made in reality. should be left as a matter beyond the control the Invoice, as follows:—Invoice of 50 bales by him. The whole of these goods were shipped by clements of laformation on broad subjects, that the appointment of Mr. Burlingame was or power of the Government, to be dealt with T-Cleths, shipped by C. P. Henderson & Co., per the claimants to Messes Lyall. Still & Oc., under suggestions for further enquiry, or corroboration on the hope of keeping off the or power of the Government, to be dealt with by such religious and moral influences as and by such religious and moral influences as and be brought to bear upon it. If it were true that the existence of gambling in any forms would be productive of so much crime that the finances of the Colony would be productive of so much crime that the finances of the Colony would be insufficient to maintain urder, then the adoption of some system of supervision and taxtition would be an unfortunate becoming in any forms. When the adoption of the colony would be an unfortunate become of the Colony would be an unfortunate becoming in the finances of the Colony would be an unfortunate becoming that the substitution. The beading of the Living is a follows—would be an unfortunate becoming the the finances of the Colony would be an unfortunate becoming to supervision and taxtion would be an unfortunate become that it is nived beyond question that there His Excellency the Governos, at the Meet is no likelihood of a difficulty in finding of order and for account of whom it may coning of the Liegislative Council, on the 24th sufficient funds to maintain the requisite Police the payment of two accoptances of their firm, cern. It was admitted by which a correct picture of this can only be kept up now by persons whose by the side of the Honorous Dock, and are September, made allusion to some remarks in Force, there is no longer any reason why for \$22,000 and \$22,500 respectively. They the argument that the correspondence above little known country may be presented to the obstinacy in adhering to their own first imrealy to contract for the construction of the Daily Press with reference to the Government should feel itself called upon the purpose of meeting the acceptance of an agreement whereby the At Whampon the Company will take ships bling Ordinance; which he seemed to the matter of the interfere in the matter of the interference of the interferenc sider were likely to have more influence on suppress gambling, it had better leave it from the Bank on the proceeds of the goods to the lit is to impart it. THE PROPOSED ANTI SMALL FEET

ORDINANCE. TO THE BDITOR OF THE " DAILY PERS." Sir. I thank you for insorting my letter of yesterday, and for approving of the augustion contained therein. You seem, however, to think that an anti-small feet Ordinance, if enacted. would cause discontent among the Chinese. and make them send away their children from the colony. I have made many enquiries on the subject, and I find that the Chinese generally compress their children's feet not from their desire and wish, but simply in accordance. with their footish established oustons. They all know it is a stupid thing, and they would gladly discontinue if lothers would follow the example I am also aware, that many Chinese bachelors would prefer to have wives with natural feet, if they could get respectable garls, and hence, after they are married, thay invariably will have unbound footed girls to be their concubines; the Bill of Lading seems to bave been specially the former are cledted by their parents, the latter of their own choice. rice. If gambling cannot be suppressed, the would give him his discharge when he received there is nothing in its general appearance to fear about the Chinese girls being sent away, attract particular notice. The plaintiffs more and the Lagislature may safely exact an decide this case according to the him. It to the oronactance. The latter endersed the Bill Ordinance pulting a stop to the urusi practice

Yours faithfully.

Hongkong, 6th October, 1869.

P. F. Robertson, Esq., M.

Sararis. This was menter of From the Salurday Review. Arcita rerai be ludd pass tutorat Oxford, who less some strange oversight has been made hed grown boary in the unprofitable service of in the choice of their companions and go ting F arth. Form Etonious and Hayrovi as instructors, or unless opportunities of inculouthrough their different public examinations, ting the Belgravian code have been acandalously. hard to sit, in allustration of our of Aldrich's clark mysteries, that the Engagement is always, have been presented, are as determined not to when used by a lady, a word of the second in offend against those precepts of the code which tention. When he would say, a man talks of relate to love and matrimony as to observe those writing, breaking, forgetting or keeping an of dress and conversition. And even in engagement, no an ean tell what were of an the hundredth case, the mother of May Fuir is en agement is meant, because men use the not checkmated or dragged into suffering a long word in its first or general intention of any engagement. If the girl is young, and her chanchigation by contract. But when a lady speaks can of making a good match are still favour. of "ar engagement" she employs the word in a able the proposal is peremptorily forbidden, and technical or secondary sense, and you may be some of the thousand available measures are technical or secondary sense, and you may be quite entried that she means an agreement to quite entried that she means an agreement to taken to prevent the fox and goose from meeting taken to prevent the fox and goose from meeting again. But if she is becoming passed, and the suitor is tolerably well connected, a virtue is made of necessity. Either an allowance is made to the girl or else, more ingeniously, the wire-fully against their has been an offer to marry, as that in the other there has been an offer to marry, as that in the other there has been a proposal to be obtained, and thus the deficiencies of the suitor. Whether the old tutor was correct of he by Whe her the old tutor was correct or suitor's purse remadied out of the Consolidated no in his logic, whether he rightly or wrongly Fund. And thus it happens that long engage. interpreted Aldrich's definition of a predicable, ments are almost unknown in the upper roules. his illustration was no doubt well adapted to and are more community found in a somewhat matel and fix the wandering attention of his lower stratum of society. bearers; and it will serve to explain what we court when we say that the worl placed at the he d of this paper is to be taken in the second 1103888. Litties. 1 290 at hits. intention, or ladies' sense. Emlless classifications might be mide of the different kinds of engagements. For example, there is the classificariou by want hiwyers call" the consideration, Fome engagements are made for love's sake. or ors for the sake of something less divine. Am my the latter class are the engagements arranged or intented for the purpose of staying off areditors, or of getting another five hundre! ponedo north of jewellery from a fashionable from Sometimes, but this is high art, these tive species of engagements are made to dove tait late one another - is in the case of the founder of a noble house, who got admission as | 1 Possession from 1st of November next A partner into a great firm by hinting that he Apply to was going to marry a rich beiress, and simultaneously secured the consent of the young lady's | 2w 1871 - Hongkong, 1st October: 1869 faher by bolding out the prospect of the Birthership thus using his engagement to TY OUSE, No. 1, Pedder's Hill, containing further his speculation, and his speculation to four rooms, with very good accommodate scence his ongagement. But the two tion for servants' besides. Water and Gas laid commowest methods of classifying engagements on. This House has also an entrance from ura first, lig. the degree to which they are Wundham Street. senetioned, and scenndly, by their duration. Thus, or rigements when classified according to their samotion, are divided into two principal sorts - the authorized of regular, which have and otter legitimate authorities; and the manithated, or irregular, which have no such parction. Syngain, these irregular engagements maturally subdivide themselves into the forbidden which, having been announced to the p eper authorities, and discountenanced by them are nevertheless cherished in the imaginative armie of poetient Edwins and Angelinas ne things which have a real and substantive existency, though the world ignores them and the clairfestine, which are notibrought to light I THE HOUSE, No. 31, Wyndham Street, nuall: An engagement of the clamestine type linetly ever hats long in that phase. As the life of a young girl is much more domestic than that of a young toun, the burden of conceal ment presses much more heavily upon her then upon her lover. On this account. and also because of the greater tenderness of a girl's conscience, the almost invariable end of a clandestine engagement is, that after histing a few wroke, it is aunonnoed by the girl to a sister or mother, and masses either into the regular or the forhidden planse. Most fortunately furthe uncharity of parants, there are few girls who would not rather run the risk of eacrificing a lover than keep such a secret six weeks with absolute integrity. Any one who has noticed the amazing rapidity with which the news of an engalement spreads among the bost of feet repair. Possession on 15th October, friends, relations, and acquaintances, will feel Apply to how keen a pleasure must be taken by them in circulating such a tit-bit of goasip, and converse le whit a swere deprivation it would be to them not to be permitted to aunuance Parents sometimes, from reasons of mortified THAT 6 Roomed HOUSE, No. 3 . Eigin nrata of contal indecision, desire that the news or have regargement, though sanctioned, should be coffi ei to as few persons as possible. But this is illways found to be att nutenable position. The easierness of each last recipient of the regret to communicate it to a specially privileged friend such puts an end to the purents' fond hope of a limited liability to congratulation, and convinces them that an engagement, like a libel, cannot be published for private circulation only. if 1683. Hungkong, lat September, 1889. It is, in fact, one of those confidential commanications which are sometimes called "shout ing servers." The classification of engagements. according to their duration gives us neveral tateresting types. Come engagements are of a short but rapturous kind; others tra of a protracted and Platonic characfer, Some are contracted for a fixed term of years, as the engagement of a minor To marry when he attains his amjority, or of a widow to wed after two years inconsolability same. The whole having a frontage un the Above 6 months the full as where a Fellow of a College engages to marry, ra soon as he gets a living, or where a young lady primises to make her lover happy when he put in thorough repair. can show that he is able " to maintain ber in the style to which the has always been accostomed, and to supply ber with the comforts and reflications which also has a right from her posttion in society to espect." Other engagements may be considered as terminable at pleasure, arch as those projected between officers of small means and the notorious firts of a garris m-town in their own Boats, and to receive the same on Canals, and Goods on board such Vessels. If Hongkony, 8th October, 1863 which, it is pretty well understood, are only Storage in first class GRANITE GODOWNS throughout Great Britain and Ireland, and in designed to last until the regiment is moved to on moderate terms. fresh quarters, or till Providence provides the fuir enquette with a more bandsome or more Hongkong, 4th March. 1867. an extential lover. Thesis, with many others which it is tinnecessary to ontimerate, are various spicies of engigements, differentiated according to the nature of their duration. But the divigion of engagements with which society is most familiar and the one which will occur to all parental minds as the most imporant, is the simple division of them into Long and Short, The genuine old-fushioned Long Engagement, of that life-long type with which cour grand mothers and great aunts were familiar, has f 1080 Hongkong, 4th June, 1869 happily almost ceased to exist. Any woman belonging to the professional ranks of the mid dle chas swho is more than fifty years ald, will be able to recall several instances of men, generally Fellows of Colleges, who, when young, 10 emitricted engagements which they ware unuble No. 63, between Mesars: John Bunn & Co.'s to fulfil mitil they had reached that time of life premises and Mosers. Give Livingston A at which it is not very usual, or very scendy: Co.'s Whart. either to mary or to be given in marriage, Such instances of life-long engagements were by no meins rare fifty years ago. The College rellow of twenty five having engaged himself to a young girl of twenty, and having no sure expresition of patronage outside of his college. could not then, as now, out himself adrift from his acidemical ties, and start furth to make his fortune independently, by tuition; journalism; or the public service. Such extra-neadenies! minus of making use of an academical education were then comparatively unknown or unprimiting. The avenues whereby a gentleman of liberal education could enter the salaried ROM a term of years, with early possession, sphere of existence were then compare ively those desirable premises in Bank Buildfew, and still almost confined to the "three ingesituated between the Agra Bank and Compliberal professions." The roully well paid school toir a Escomple, at late in the occupation of masterships were then very few them was no the Bank of Hindustan, China, and Japan. The Hallsybury no Radley no Bradfield, there were principal building is very suitable for division noprofessorships at King's College, London; and into Offices or Chambers. no inspectorships of schools. The young Fellow who had taken orders had nothing to look to but a follege living; so he waited on, perhaps for ten, perhaps for twenty, or even thirty years. until his youthful ardour had couled down into a quet, brikish sort of attachment, and his TWO commodious two storied Granite GO hourstined and come to look forward to her war. DOWNS, at Wanchi, (adjoining the times cather with plide than with passion. es the event which would one day give her the privilege of hambly beloing that learned derate terms. mandin his libours, or at least, sequre her the menopoly of nursing his declining years. Such long engagements as this are more extremaly mire. One scarcely ever heus if a roup'e being engaged twenty yours; and the friends of a young frances are rather dismonths Au canavenum which lasts over L Street lately occupied by Mouses. A. Wit. two yours is now called a long engagement; Ernson & Co. Apply to GIBB, LIVINGSTON & Co. a meter carry and very middle-class affair. 11. 1967 Hongking, 15th October, 1868 Long engagements, in fact, even in the modern sense of the term, are commed almost entirely NE-FLOOR of a HOUSE in Queen's Road, to the middle ranks of the community. They () well situated. are hearly as much a middle class institution as rurly dining or Dissent. A superluman alesiduity; a dragon-like watchfulness, and wonderful tact on the part of the mothers of May Fair, co-operating with the pride that a poor voung man feels, or with the love of his [] HE HOUSE and OFFICE, No. 9, Gough duration that a moderately rich young man I Street, at present occupied by Messus.

not offer her an adequate establishment. But, ne a rale, there is no need for such influences. The daughters of May Fair are, in ninety nine cases out of a hundred, almost as keen as their mothers in the competition for good partie. Unneglected, these young ladies, by the time they TO LET.
